Dear [Redacted]

STAT

Your letter of October 15, 1981 concerning Top Secret documents in the compilations and samples collected for possible publication in Foreign Relations of the United States was most appreciated.

We have studied carefully the caveats with which you qualified your authorization of relief from certain Top Secret document controls which would normally pertain to such materials. All of them are fully acceptable.

Concerning subparagraph (e) of your letter, we will advise you when we have identified materials requiring review by your representatives so that mutually satisfactory procedures may be worked out for the accomplishment of that review.

Sincerely yours,

John R. Burke
Deputy Assistant Secretary
Classification/Declassification Center
Bureau of Administration
